Time: 11.00am AEDST
Date: Wednesday, 23 December 2009
Place: City Recital Hall

MEETING

The meeting for the 1999 Scheme will be held concurrently with meetings of members of each other Scheme listed in the Schedule to this notice of meeting.

The Meeting will be chaired by an independent Chairman.

The business of the Meeting includes consideration of the Gunns Proposal in relation to the 1999 Scheme and to other Schemes of which GSMAL is the responsible entity. These other Schemes are listed in the Schedule to this notice of meeting.

It would be practically very difficult to hold consecutive meetings for each Scheme. As such it is proposed that the Meetings for all the Schemes will be held concurrently (that is at the same time and place).

Voting will be conducted separately for each Scheme, on a Scheme-by-Scheme basis.

AGENDA

The general nature of the business of the Meeting is for:

- GSMAL to put forward its reasons for wishing to retire as the responsible entity of the 1999 Scheme; and
- Growers in the 1999 Scheme to consider and, if thought fit, pass Resolutions concerning the Gunns Proposal.

The Receivers and Managers consider that the Gunns Proposal warrants consideration by Growers.

ORDER OF BUSINESS – RESOLUTIONS FOR THE GUNNS PROPOSAL

The Gunns Proposal is described in Section C of the General Meeting Booklet and Part C of this Supplementary Scheme Booklet. Growers are asked to consider and, if thought fit, pass the following resolutions for the Gunns Proposal.

Resolution 1 – Approval of the Gunns Proposal

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"That, subject to Resolutions 2, 3 and 4 being passed, the Growers approve the proposal by Gunns Plantations Limited described in Part C of the General Meeting Booklet and Part C of the Supplementary Scheme Booklet accompanying the Notice of Meeting dated 27 November 2009."

Resolution 2 – Amendments to the Constitution to implement the Gunns Proposal

To consider and, if thought fit, pass the following resolution as a special resolution:

"That, subject to Resolutions 1, 3 and 4 being passed, the constitution of Great Southern Plantations 1999 ARSN 092 452 849 be amended by Gunns Plantations Limited immediately following its appointment as the responsible entity under section 601FJ of the Corporations Act in the manner set out in Part C of the Supplementary Scheme Booklet accompanying this notice of meeting dated 27 November 2009 in accordance with section 601GC(1)(a) of the Corporations Act."

Resolution 3 – Amendments to the Grower Agreements to implement the Gunns Proposal

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

*"Subject to Resolutions 1, 2 and 4 being passed, that the Growers approve the amendment of the Growers' Agreements in the manner set out in Part C of the Supplementary Scheme Booklet and acknowledge the right of Great Southern Managers Pty Limited ACN 058 213 791 (In Liquidation) (formerly Great Southern Managers Limited) , or of Great Southern Managers Australia Limited (In Liquidation) (Receivers and Managers Appointed) or Gunns Plantations Limited (as the case may be) acting as the responsible entity of Great Southern Plantations 1999 ARSN 092 452 849 (the **Scheme**) to make those amendments using the rights under any powers of attorney granted by Growers, including the powers of attorney granted by Growers pursuant to Resolution 2, and the powers of attorney granted by Growers in their application forms submitted at the time of applying for interests in the Scheme (including as a prescribed interest undertaking prior the Scheme's registration under the Corporations Act)."*

Resolution 4 – Appointment of New Responsible Entity for the Gunns Proposal

To consider and, if thought fit, pass the following resolution as an extraordinary resolution:

"That, subject to and conditional upon:

- (1) *Resolutions 1, 2 and 3 being passed; and*
- (2) *all of the resolutions contained in the Notices of Meeting (dated on or about the date of this notice of meeting) for the:*

 - "Great Southern Plantations 2001" ARSN 089 958 029;*
 - "Great Southern Plantations 2002" ARSN 095 343 963;*
 - "Great Southern Plantations 2003 Scheme" ARSN 099 131 825;*
 - "Great Southern Plantations 2004" ARSN 107 811 709;*
 - "Great Southern Plantations 2005 Project" ARSN 112 744 877; and*
 - "Great Southern Plantations 2006 Project" ARSN 112 744 902,*

*(the **Other Projects**) being passed or if all of the resolutions in the Notices of Meeting (dated on or about the date of this notice of meeting) for a majority of the projects (being the Great Southern Plantations 1999 ARSN 092 452 849 (the **Scheme**) and the Other Projects) are passed, such number of Other Projects as Gunns Plantations Limited and Great Southern Managers Australia Limited (In Liquidation) (Receivers and Managers Appointed) (GSMAL) may agree and advise (including by notice on Gunns Plantations Limited's or GSMAL's website) no later than 10 Business Days after the day of the Meeting,*

Gunns Plantations Limited be appointed the responsible entity of the Scheme on the retirement of GSMAL in accordance with section 601FL of the Corporations Act and GSMAL is released from all liabilities and further obligations in relation to the Scheme."

Growers who require copies of the Notices of Meeting for the Other Projects should note that details will be posted on the Great Southern website at: www.great-southern.com.au.

RECOMMENDATION

The Receivers and Managers have recommended the Gunns Proposal in the absence of a superior proposal (see the Receivers and Managers' recommendation in the cover letter to the General Meeting Booklet).

Your vote is important. GSMAL encourages Growers to cast their votes on the Resolutions.

GSMAL recommends that Growers carefully consider the information included in this notice of meeting, the General Meeting Booklet and each Supplementary Scheme Booklet, and if necessary obtain professional advice, before exercising their right to vote.

Should insufficient votes be cast by Growers on Resolution 4, which requires at least one half of the dollar value of all Woodlots on issue in the Scheme, then the Gunns Proposal will not be passed.

INTERDEPENDENCY OF RESOLUTIONS

Each of resolutions 1, 2, 3 and 4 will only be passed and can only take effect if:

- all resolutions for the Gunns Proposal are passed by Growers in the 1999 Scheme; and
- all resolutions for the Gunns Proposal are passed by Growers in each of the other Schemes listed in the Schedule to this Notice of Meeting.

Moreover, the Responsible Entity and Gunns Plantations may agree to waive the requirement for approval of every Scheme to be obtained if a substantial majority of Schemes have approved the Gunns Proposal and the Gunns Proposal remains feasible for both Gunns and the Great Southern Group from a commercial and legal perspective.

Further information in relation to the interdependency of resolutions is set out in the General Meeting Booklet Part A.

TIME FOR DETERMINING GROWER'S ENTITLEMENT TO VOTE

Growers on the Register at 11.00am on Monday, 21 December 2009 are entitled to vote.

MEETING QUORUM/ELIGIBILITY TO VOTE

The quorum for the Meeting is two Growers.

On a show of hands, each Grower has one vote. On a poll, each Grower has one vote for each dollar of the value of the total interest they have in the Scheme.

All Resolutions will be voted on as a poll.

Special and extraordinary resolutions must be decided on a poll. Any other resolutions put to the vote at a meeting of the Growers must be decided on a show of hands unless a poll is demanded in accordance with the Corporations Act. The independent Chairman will demand that voting on the ordinary resolutions is conducted by poll.

The value of a Grower's interest in the Scheme will be determined by GSMAL in accordance with the requirements of section 253F of the Corporations Act. Each Grower will be given one vote for each dollar in value of their interests in the Scheme based on the value of their Woodlots. Woodlots are areas of land in the Plantations of the Schemes leased by a Grower from GSMAL.

Following the insolvency of GSMAL, some head leases in respect of the land on which Woodlots are situated, have been terminated by the landlord (**head lessor**) where a default has occurred, for example non payment of rental. In the case of some other leases in respect of land on which Woodlots are situated rent has not been paid and the lease is terminable by the head lessor.

Woodlots may be attributed different values for the purposes of the voting, where affected by these circumstances. GSMAL intends, prior to the date of the Meeting, to seek the directions of the court in relation to the value of Woodlots for the purposes of section 253F of the Corporations Act.

Growers may call the Grower Hotline on 1800 258 348 or review the Great Southern investor relations website (<https://investors.great-southern.com.au>) for further information regarding the status of the leases for Woodlots registered in their name.

VOTING RESTRICTIONS

In accordance with section 253E of the Corporations Act, the Responsible Entity and its associates (as defined in the Corporations Act) are not entitled to vote their interests on a resolution at the Meeting if they have an interest in the resolution or matter other than as a member.

Information is included in the General Meeting Booklet regarding the interests held by the Responsible Entity and its associates in the Scheme.

GSMAL will not vote any interests held by it. Prior to the Meeting, GSMAL will seek court directions to confirm GSPH and GSF's entitlement to vote in respect of the Resolutions.

Notwithstanding section 253E of the Corporations Act, GSMAL and its associates may vote as proxy for a person who is entitled to vote provided they vote in accordance with directions given on the proxy form.

A challenge to a right to vote may only be made at the Meeting and must be determined by the Chairman whose decision is final.

VOTING IN PERSON OR BY REPRESENTATIVE

Corporations that are Growers, eligible to vote on the Resolutions and who wish to attend and vote at the Meeting, must appoint an individual as a representative who must bring with them the original document properly authorising their appointment under section 253B of the Corporations Act.

A corporate representative appointment form can be obtained from Computershare by calling 1300 850 505 within Australia and +61 3 9415 4000 outside Australia.

If you have appointed an attorney, that attorney must provide sufficient evidence of its appointment to vote on your behalf.

If you plan to vote in person or, in the case of a corporation, by representative, please arrive **at least** 60 minutes before the starting time so that we can register your attendance, confirm any appointment as representative, check the number and value of votes you are entitled to and issue you with voting papers.

Please bring your (unused) Proxy Form(s) with you to assist in the registration process.

VOTING BY PROXY

If you are unable to attend the Meeting, you are encouraged to complete and return the enclosed colour-coded Proxy Form in accordance with the instructions on that form.

If you are a member of more than one Scheme and you wish to vote by proxy in relation to each Scheme, you should complete *each* Proxy Form.

In accordance with sections 252J(d) and 252V of the Corporations Act, Growers are advised that:

- each Grower of the 1999 Scheme who is entitled to attend and cast a vote has a right to appoint a proxy to attend and vote for the Grower at the Meeting;
- if a Grower is entitled to cast two or more votes, that Grower may appoint one or two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportions or number is not specified, each proxy may exercise half of the votes (provided that any fractions of votes that result will be disregarded); and
- a proxy need not be a registered Grower of the 1999 Scheme.

In accordance with section 252Z of the Corporations Act, for an appointment of a proxy to be valid, the completed and signed Proxy Form (and if signed by attorney, the authority under which the appointment was signed or a certified copy of the authority) must be received:

- by scanned PDF file format attached to an email sent to greatsouthern@computershare.com.au;
- by post to Computershare Investor Services Pty Limited GPO Box 242 Melbourne Victoria 3001 Australia;
- by facsimile at facsimile number: 1800 783 447 within Australia and +61 3 9473 2555 outside Australia; or
- in person at Computershare Investor Services Pty Ltd, 452 Johnston Street, Abbotsford, Victoria;

no later than 11.00 am AEDST on Monday, 21 December 2009.

AMENDMENT TO GUNNS PROPOSAL

Members should be aware that it is possible that Gunns may amend the Gunns Proposal after the date of this notice of meeting.

If GSMAL receives notice of any changes to the Gunns Proposal, details will be posted on the Great Southern website at: www.great-southern.com.au.

Growers are strongly encouraged to check the website regularly for any updates.

Those Growers that lodge Proxy Forms but later wish to revoke or amend their proxy appointment (in light of amendments to the Gunns Proposal or for any other reason) may do so by submitting another Proxy Form (further copies can be obtained by calling the Grower Hotline 1800 258 348 within Australia and +61 8 9320 9700 outside Australia).

Proxies cannot be amended after the proxy cut-off time which is 11.00 am AEDST on Monday, 21 December 2009.

PART C – GUNNS PROPOSAL

Section 1: Changes to the Constitution

The full text of the changes to the Constitution under Resolution 2 are set out in this Section 1.

In this Section, the definitions referred to in clause 1 below have been used. Other terms which are capitalised refer to terms which already have a defined meaning in the Constitution or Grower Agreements. These defined terms are not contained in the Glossary to the General Meeting Booklet.

1. Definitions

The definition of “Power of Attorney” is deleted and replaced with the following new definition of “Power of Attorney”:

“**Power of Attorney** means any power of attorney granted by the Applicant or Grower in favour of the Responsible Entity, including:

(i) any existing power of attorney granted by each Applicant and Grower to the Responsible Entity or a former responsible entity;

(ii) any power of attorney granted by each assignee or successor of an Applicant or Grower; and

(iii) the power of attorney contained or to be contained in clause 30.4 of the Constitution.”

2. Maintenance Reserve Fund

Amend clause 10 of the Constitution by inserting the following clauses as new clauses 10.12 to 10.14:

“**10.12 Application of Clauses 10.1 to 10.10**

Clauses 10.1 to 10.10 cease to apply when Gunns Plantations Limited ABN 36 091 232 209 becomes the Responsible Entity for the Scheme.

10.13 Re-establishment of Maintenance Reserve Fund on change of responsible entity

- (a) Within 10 Business Days after the date on which Gunns Plantations Limited ABN 36 091 232 209 becomes the responsible entity for the Scheme, Gunns Plantations Limited will set up a replacement Maintenance Reserve Fund or otherwise secure an amount of money equal to the Amount in the Maintenance Reserve Fund immediately before the appointment of Gunns Plantations Limited. The Maintenance Reserve Fund will be applied in accordance with clause 10.14.
- (b) The obligations placed on Gunns Plantations Limited under paragraph (a) will be placed on any future Responsible Entity for the Scheme.

10.14 Use and operation of Maintenance Reserve Fund

- (a) The amount paid into the Maintenance Reserve Fund will be one final amount to be disbursed and used by the Responsible Entity for payment or reimbursement (including payment in advance) of the costs and expenses for the care and maintenance of the forest produce (as defined in the Lease and Management Agreement) including the preparation of management plans until all of the forest produce (as defined in the Lease and Management Agreement) has been harvested or the remaining amount is returned to the Responsible Entity under clause 36.8 because the Responsible Entity has retired.
- (b) Once the relevant amount has been paid into the Maintenance Reserve Fund in accordance with clause 10.13 the Responsible Entity has no obligation to carry out any review of the amount in the Maintenance Reserve Fund, nor adjust the amount in the Maintenance Reserve Fund at any time.
- (c) Once all of the forest produce (as defined in the Lease and Management Agreement) has been harvested the Responsible Entity is entitled to receive the balance of the amount remaining in the Maintenance Reserve Fund (if any). At the time of this final transfer the Responsible Entity is entitled to receive any income including interest which has been earned by the Maintenance Reserve Fund.”

Delete clause 36.8 of the Constitution and replace it with the following:

“36.8 Balance of the Maintenance Reserve Fund

On its retirement or removal, the Responsible Entity is entitled to receive the balance of the Maintenance Reserve Fund (including the retransfer of any Bank Backed Securities) as the Maintenance Reserve Fund stood immediately before the retirement of the Responsible Entity and the new responsible entity must pay into a new Maintenance Reserve Fund the sum of money or Bank Backed Securities equal to the amount of the Maintenance Reserve Fund as it stood immediately before the retirement of the Responsible Entity.”

3. **Grower's appointment of Attorney**

Amend clause 30.4 of the Constitution by deleting clause 30.4 and replacing it with the following:

“30.4. Powers

(a) The Responsible Entity has:

(1) all the powers of a natural person and all powers that are reasonably necessary for it to carry out its functions and duties under this Constitution including the power to fetter future discretions, such as by the granting of options; and

(2) irrevocable power as the agent, representative and attorney of the Grower and, whether in the name of the Grower or the Responsible Entity, to:

(i) amend the Lease and Management Agreement including in the manner provided in Part C, Section 2 of the Supplementary Scheme Booklet dated 27 November 2009; and

(ii) take any action (including Court action) necessary or desirable to protect or preserve the Grower's right to use, occupy or access land to grow their trees under the Scheme, should that right be threatened, challenged or compromised, or otherwise if thought fit by the Responsible Entity.

(b) Each Grower, subject to paragraph (c), to the maximum extent permitted by law irrevocably appoints the Responsible Entity from time to time, and each Director and Company Secretary of the Responsible Entity to be the agent and attorney of the Grower, in the Grower's name, on the Grower's behalf and as the Grower's act and deed, to exercise the powers and do any thing and take any action set out in Schedule 3 to this Constitution on the terms set out below and in that Schedule.

(c) The Responsible Entity from time to time, may recover all costs properly incurred in exercising its powers under paragraphs 30.4(a)(2) or 30.4(b) (including, without limitation, all legal and litigation costs and costs associated with the preparation of any reports for the purposes of taking the action) from the Net Proceeds of Sale. The Responsible Entity's right of indemnity under this clause applies only in relation to the proper performance of its duties.

(d) The Grower undertakes to ratify all that the attorney lawfully does or causes to be done under paragraphs 30.4(a)(2) or 30.4(b).

- (e) The powers granted by paragraphs 30.4(a)(2) and 30.4(b) are without prejudice to any power of attorney given to Great Southern Managers Pty Limited ACN 058 213 791 (In Liquidation) (formerly Great Southern Managers Limited) by a Grower upon submitting an application for interests in the Scheme or upon becoming a Grower as an assignee or member by succession (**Original Power**) and the acts and things which the Responsible Entity may do and take under the powers granted in paragraphs 30.4(a)(2) and 30.4(b) are in addition to the acts and things which the Responsible Entity from time to time is empowered to do or take pursuant to the Original Power.
- (f) The Grower acknowledges and agrees that the Original Power is a right of the Responsible Entity in relation to the Scheme for the purposes of section 601FS(1) of the Corporations Act.
- (g) Each Grower acknowledges that where an Original Power continues in effect, the Responsible Entity may act under either or both the Original Power and the powers granted by paragraphs 30.4(a)(2) or 30.4(b), including in amending the Lease and Management Agreement in the manner provided in Part C, Section 2 of the Supplementary Scheme Booklet dated 27 November 2009.”

Insert the following as new Schedule 3 to the Constitution:

Power of Attorney

1. The Responsible Entity from time to time and each Director and Company Secretary of the Responsible Entity is appointed by each Grower jointly and severally to be attorney for the Grower, in the Grower's name, on the Grower's behalf and as the Grower's act and deed on the terms specified below and in clause 30.4(b) and to do the following things and take the following actions:

(a) to vary the Lease and Management Agreement in the manner provided in Part C, Section 2 of the Supplementary Scheme Booklet and to make, execute and deliver and submit for registration all deeds, agreements and other instruments as to the attorney seem necessary or desirable for making such variations;

(b) to vary the provisions of the Lease and Management Agreement from time to time, provided that the variation:

(i) in the opinion of the Responsible Entity is not likely to be to the detriment of the Grower's interests in the Lease and Management Agreement;

(ii) will in the opinion of the attorney enable the Lease and Management Agreement to be better administered and managed in the interests of the Scheme;

(iii) is in the opinion of the Responsible Entity required as a matter of continuing compliance with relevant statutory requirements;

(iv) is in the opinion of the Responsible Entity required to correct a factual error in the documents; or

(v) is agreed between the Grower and the Responsible Entity;

(c) to take any action (including Court action) necessary or desirable to protect or preserve the Grower's right to use, occupy or access land to grow their trees under the Scheme, should that right be threatened, challenged or compromised, or otherwise if thought fit by the Responsible Entity;

(d) to enter into and execute on the Grower's behalf, an agreement to sell the timber produce on such terms as the Responsible Entity considers appropriate, which agreement will be ineffective if the Grower elects on or before 6 years from the commencement date to take their own produce;

(e) to date the agreement to sell and complete the blank spaces in the schedule to that agreement;

(f) to make and initial necessary alterations to the agreement to sell which are not prejudicial to the Grower's interests in the considered opinion of the attorney;

(g) to make, do and sign all such acts, deeds and things as may be necessary to procure the stamping of the agreement to sell with power to instruct the attorney's solicitors to assist them in this regard;

(h) to vary the provision of the agreement to sell the timber produce provided that the variation:

- will, in the opinion of the attorney, enable the agreement to sell to be better administered and managed in the interests of the Scheme;
- is, in the opinion of the Responsible Entity, required as a matter of continuing compliance with relevant statutory requirements;
- is, in the opinion of the Responsible Entity, required to correct a factual error in the documents; or
- is agreed between the Grower and the Responsible Entity.

2. In the case of any variation to be effected to the Lease and Management Agreement which, in the opinion of the Responsible Entity, may adversely affect the Grower's interests, such variation may only be effected if it has been approved by an ordinary resolution at a formal meeting of Growers of the Scheme.

3. If the Woodlot is in Western Australia, the land the subject of the Woodlot will be land registered under the Transfer of Land Act 1893.

4. Any person, including the Registrar of Titles of Western Australia, or any other registration authority in Australia or elsewhere, dealing with the attorney or a person purporting to be an attorney under this power is entitled to rely on the execution of any document by that person as conclusive evidence that:

- (i) the person holds the office set out in the power;
- (ii) the power of attorney has come into effect;
- (iii) the power of attorney has not been revoked;
- (iv) the right or power being exercised or being purported to be exercised is properly exercised and that the circumstances have arisen to authorise the exercise of that right and power; and
- (v) they are not required to make any enquires in respect of any of the above matters.

4. Remuneration of the Responsible Entity

Amend clause 38 of the Constitution by inserting the following as clause 38.11:

“38.11 Additional Fee

- (a) On and from the date on which Gunns Plantations Limited ABN 36 091 232 209 becomes responsible entity for the Scheme, Gunns Plantations Limited, as Responsible Entity, is entitled to receive, in addition to the fees set out or referred to in clauses 38.1, 38.8 and 38.12, a separate fee in further consideration of the performance of the Services (as defined in the Lease and Management Agreement) from the date of its appointment, equal to 7.00% of the Net Proceeds of Sale (as defined in the Lease and Management Agreement) which relates to proceeds of sale which are deposited in the Proceeds Fund after the appointment of Gunns Plantations Limited as Responsible Entity plus GST (“Additional Fee”), with its entitlement to each proportion of the Additional Fee arising and accruing in the following manner:
- (1) on the date on which Gunns Plantations Limited is appointed as the responsible entity for the Scheme and that appointment is recorded by ASIC, an amount equal to 50% of the Additional Fee; and
 - (2) on the date on which the Responsible Entity commences harvesting of the forest produce (as defined in the Lease and Management Agreement), an amount equal to 50% of the Additional Fee,
- where Net Proceeds of Sale may be an amount calculated or determined in the future and each instalment of the Additional Fee is only payable at the time the Net Proceeds of Sale (as defined in the Lease and Management Agreement) are actually received and must be paid from the Net Proceeds of Sale.
- (b) In relation to each Electing Grower (as defined in the Lease and Management Agreement), the Responsible Entity will be paid the Additional Fee by the Electing Grower at the time it collects its Collectable Produce (as defined in the Lease and Management Agreement).
- (c) To the extent of any inconsistency or repetition between this clause 38.11 and any clause of the Lease and Management Agreement which would result in the obligation to pay the Additional Fee under the Lease and Management Agreement when it has already been paid under this Constitution, this clause 38.11 applies or prevails to the absolute exclusion of the relevant clause of the Lease and Management Agreement.
- (d) The rights of the Responsible Entity to receive the remuneration specified in paragraphs (a) and (b) are only available in relation to the proper performance of the Responsible Entity’s duties.”

5. Remuneration of the Responsible Entity out of Grower's Insurance Proceeds

Amend clause 38 of the Constitution by inserting the following as a new clause 38.12 in the Constitution:

“38.12 Additional Remuneration from Grower's Insurance Proceeds

- (a) On and from the date on which Gunns Plantations Limited ABN 36 091 232 209 becomes responsible entity for the Scheme, Gunns Plantations Limited, as Responsible Entity, is entitled to receive, in addition to the fees set out in clauses 38.1, 38.8 and 38.11, a separate fee equal to the amount of 7.00% of the Grower's Insurance Proceeds (as defined in the Lease and Management Agreement) plus GST with the fee accruing and becoming payable from the Grower's Insurance Proceeds at the time the Grower's Insurance Proceeds are actually received by the Responsible Entity on behalf of the Grower.
